BLM Housing Co Operative Society

B LMSHCS has focused equally clung to Housing Development and Financial Services of each of our society members. Starting with modest beginning, today BLMSHCS stands tall after delivering NEW AGE HOMES to all our members. Our sole motto has been with the uplifting the wellbeing and lifestyle of each one of our family members. Our focus has been on the common man of the country as BLM aspires to see our members as happy house owners not only in developed regions but also in the destinations that are new to the organized housing. We achieve this by delivering high-quality housing with all amenities at subsidized rates.
